Dear Mr. Harvell:

The Division of Solid Waste Management (DSWM) has completed its review of the above referenced report. The report documents the implementation of remediation activities at the Springdale Creek Apartments – North End. Field activities included site clearance, hot spot consolidation, site grading and barrier soil placement, and site restoration. There were no deviations from the work plan during field activities.

The DSWM approves the Interim Measures Completion Report as submitted.

If you have any questions, please contact me at (615) 532-0864, or you may email me at Roger.Donovan@tn.gov.

Sincerely,
